Learn & Create with the Masters

Our 2017 series for kids focuses on art from around the world. Reservations are required and will only be taken for one session at a time. For children ages 7-12.

Join us for an art history lesson followed by the opportunity to create a work of art inspired by another culture. We’ll explore original art from the following countries: Ghana (West Africa), Indonesia (Southeast Asia), India (Asia) & Panama (Central America). All materials provided.
